Beginning of something Big

Boffo, is taking the pure essence of nature, molded into an infinity of shapes and colors merely by the presence of Earth, Water, Air, and Fire. These creations are a part of our planet and each fragment has a soul of its own. Boffo has drawn inspiration from them to create an extensive range of slabs with a finish that is marvelous and exquisite. The process of thinking, feeling, and living big all wrapped up into the Beginning of something Big.
