TILES

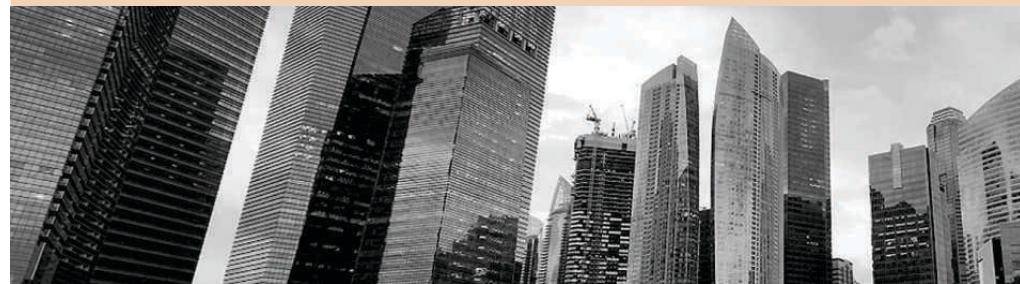

REGARDING US \

# B

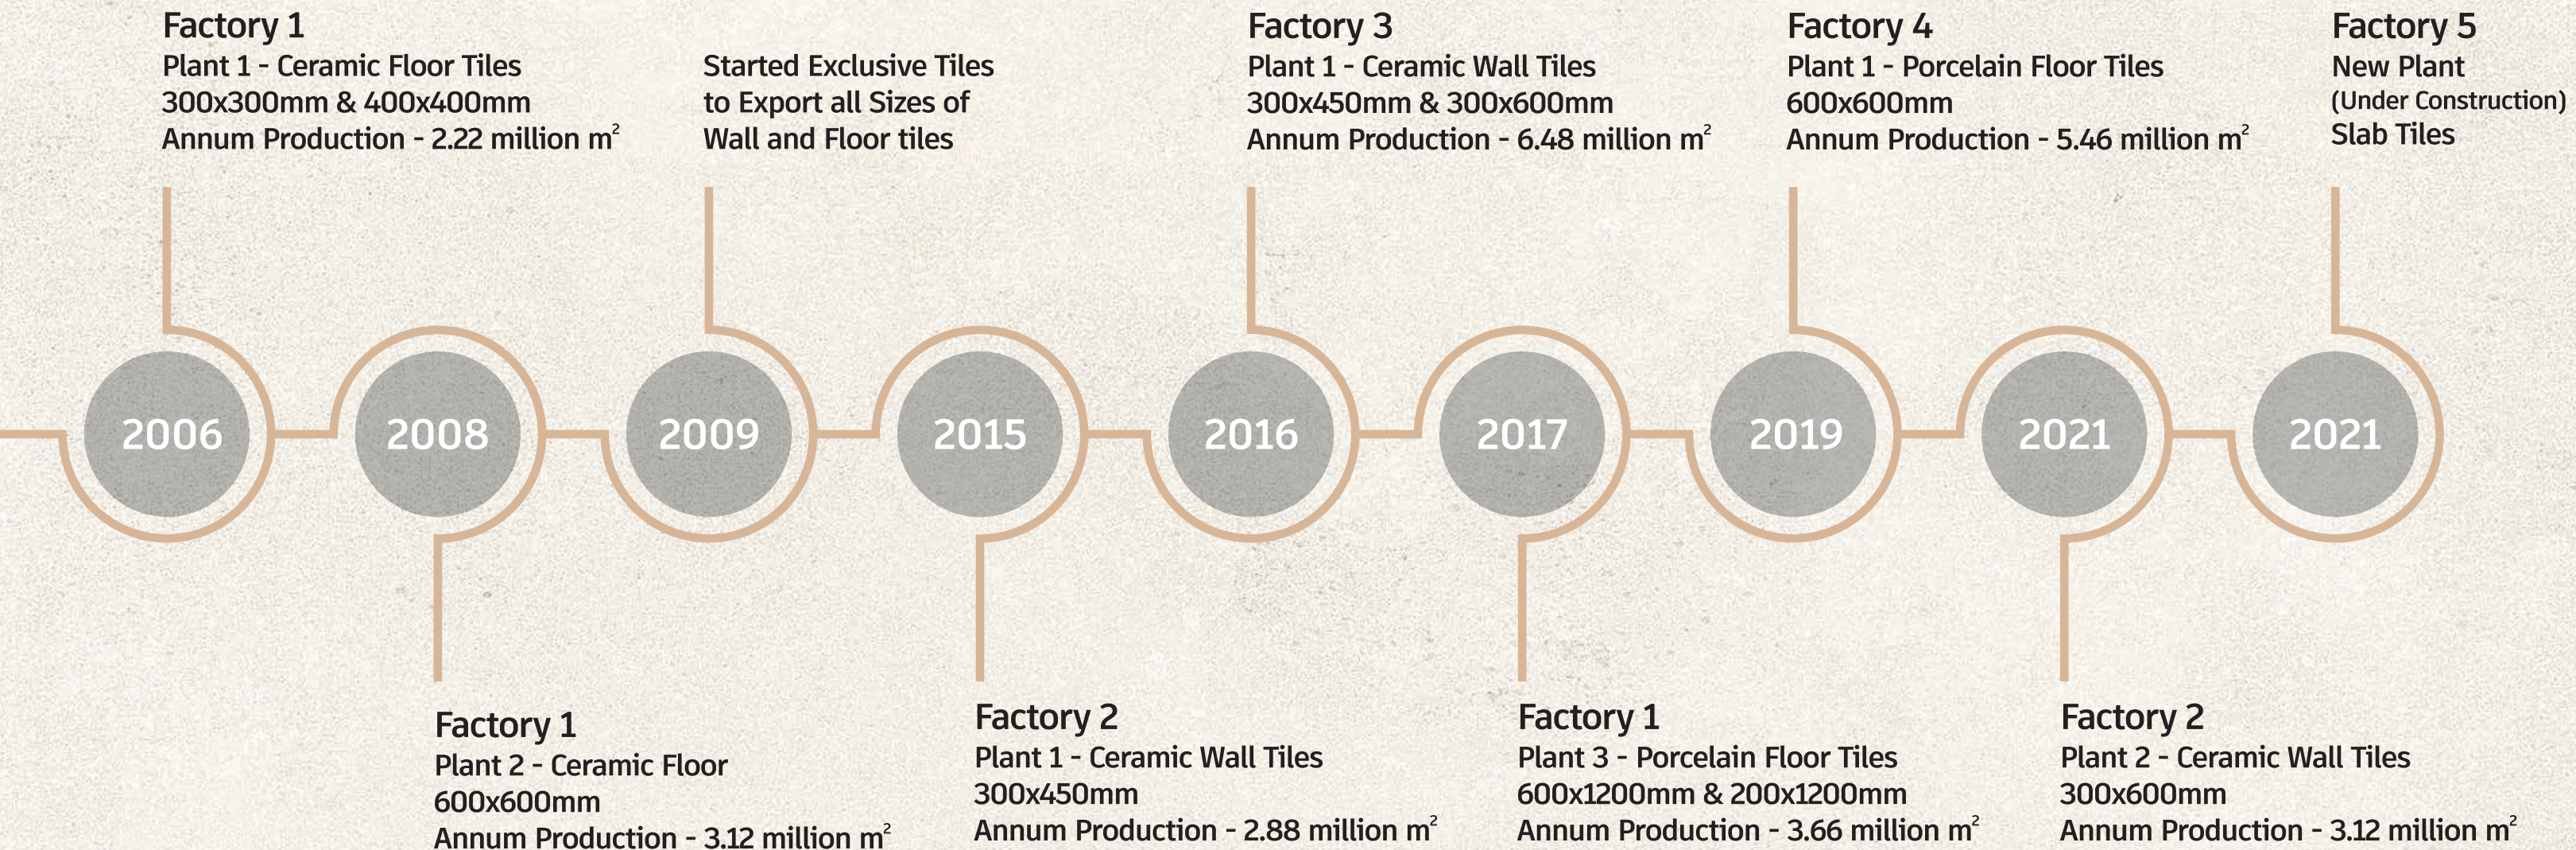

## Brand Story

Exclusive Tiles which was founded in 2009 is today a diversified brand with four of its factories, each with its own identity, fully responding to the many requirements of a continuously changing international market. Despite being a young company in the ceramic sector, we enjoyed rapid growth and development, as a result, we have quickly earned our place among the top brands in India.

With new and trendsetting products being introduced regularly, Exclusive Tiles continues to take huge strides towards becoming the world's unprecedented leader in the ceramic industry.

# Exclusive Tiles – Time Line

A Few Important Highlights Of  
Exclusive Tiles Journey In The Ceramic Industry.

## Our Group of Companies

Our Group of factories - Eddica Ceramics LLP, Geotech Ceramics, Geo Slab and Delta Tiles India LLP manufactures various sizes of Ceramic Wall & Floor and Porcelain Floor tiles. All our factories have highly automated and advanced production facilities and are situated in the heart of Indian's Ceramic hub in Morbi, Gujarat. Right from machinery to raw materials, we procure the very best from various foreign sources like Italy, Spain and China.

At pace with prevailing trends in the international market, Exclusive's product range aptly complements the contemporary consumers' demands and has got wide acceptance in many Europe, USA, Latin America, African, Gulf, Middle East and South Asian countries. And to bind all this together and offer high-quality products to our customers, Exclusive has stringent and elaborate quality control systems in place which match the international quality standards.

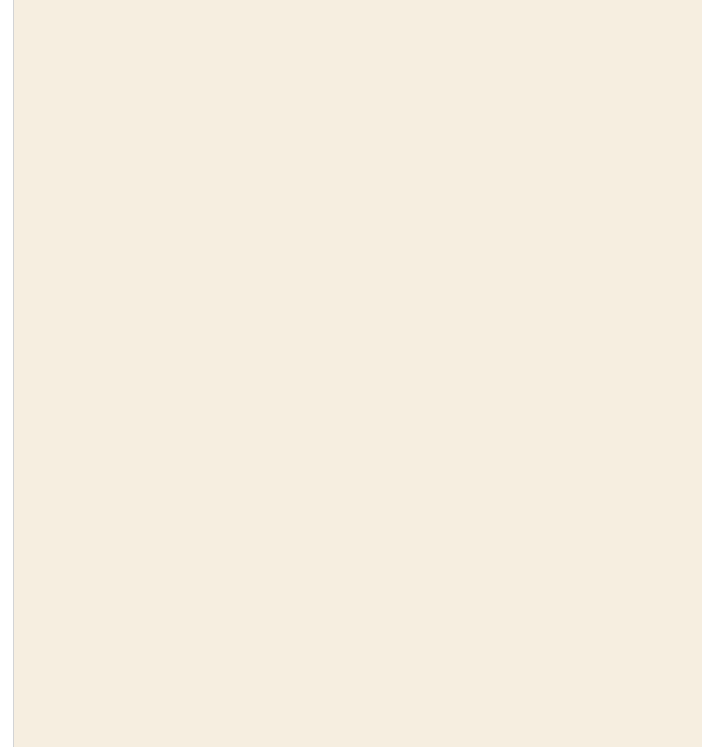

## Our Strengths

We have latest infrastructure with advanced production facilities. We are located in India's ceramic hub – Morbi, Gujarat. We procure best brands raw material to provide the best quality and finishes of tiles. Our prime focus is on maintaining quality, It is our driving force. We provide maximum satisfaction to our clients with our constant search & innovation towards excellent quality system and improved technology.

We ensure our finished products match the International Quality Standards.
